The outturn of crops in the four taluks of Hospet Division was not as bad this year as in the rest of the district. The Revenue Divisional Officer reports that general postponement of collection of loans instalments in any of the taluks, except in 16 villages of Kudligi taluk bordering on Mysore state, is not necessary. He recommends that, wide discretion under Rule IX of the Takkavi Manual be allowed to Tahsildars and believes that half the amount of the loan instalments demand may be realised without much inconvenience to the borrowers. Most of the loans were granted by Tahsildars and I have issued instructions to them to deal with the matter. There is a good deal of clamour, but it comes from the relatively well-to-do owners of wet land. I am instructing the Tahsildars to ignore these people and to exercise their discretion in favour of the poor.

2. The general outturn of crops in 16 village of Kudligi Taluk specified in the list enclosed is 4-7 annas and the ryots are unable to pay the instalments of fasli 1340. I recommend that the collection of loans instalments of Fasli 1340 may be suspended in the case of these 16 villages.

3. A statement showing the amounts involved in the postponement of the collection of loan instalments in Alur, Adoni and Rayadrug taluks sanctioned in G.O.No.682 Revenue, dated the 25th March 1930 is enclosed. The amounts involved in Bellary

Advances - Loans - Bellary - Hospet division
 Kudalgi taluk - Collection - Postponement -
 From the Bd of Rev. Dept. of F. 2140/31-28.24.4.

L. A. S.

When submitting his proposals for the postponement of the Collection of loan instalments in certain villages of the Bellary, Adoni, Bellary and Rayachoti taluks, the Collector stated that he would submit a further report in regard to the Hospet division. That report has now been received and it is at pp 3-7 of. The Board supports the Collector's recommendation to suspend the Collection of loans instalments of Rs. 1340 in the case of the 16 villages of the ^{Kudalgi} Hospet taluk. Thereby

The Concession proposed is thus only for 16 villages in one of the four taluks of the Hospet division. In the case of the other villages in the Bellary etc. for which concession has already been granted it was ^{recommended} solely on account of the failure of crops. It was also based on the general economic depression. In the present case however the concession is recommended solely on the ground of a poor outlook of crops.
